

# WOMEN'S PRAYER

*by Bishop Alvin D. Stewart, Jr., D.D.*

Father, in the name of Jesus, I come to you as a virtuous woman and as a queen in the earth. I stand as a woman in proper position and relationship with you, which gives me the authority to rule, govern, and dominate in all You have given me to do and accomplish in the earth. I thank You for eyes that can see the Kingdom, ears that can hear Your voice, a mouth that declares Your word, and a mind that is sound, sober, and synchronized with Christ. I am holy, righteous, and filled with Your Spirit. I am an example of truth and integrity in the earth. I am a faithful steward of the riches and mysteries of the Kingdom of God. I am a nurturer and guardian of my natural and spiritual families. I am a woman of grace and compassion. I am a pillar of strength and faith, a voice of wisdom and reason, and a teacher of excellence and temperance. Thank You, Lord, for the investment You have made into my life and the vision and purpose You have planted in my heart and spirit.

Father God, I ask you to guide me in pursuit of your divine will. Continue to cause the work of my hands to prosper so that I may be able to impact more lives for your glory. Teach me how to protect the value and integrity of my name. Give me witty ideas to increase me in the ways of business and industry. Give me Your mind so I can accomplish all that You have for me. Build my faith to believe for the impossible. Strengthen my resolve where I have become weary. Fortify my relationships where I am in need of comfort and safety. Encourage my heart where I have been disappointed. Increase my passion and drive as I build and create, and let Your wisdom flow through me.

Lord I realize that my words have power, therefore, cause me to say only what You would have me to say. Help me to be slow to speak, and swift to hear. I understand that my words are powerful and they can either build or destroy; speak life or death; bring joy or sadness. Therefore, I shall be a woman whose words carry influence, because they are filled with the spirit of God in wisdom and anointing. I thank You that I do not walk in a spirit of fear, but I operate in the power that You have given me. When decisions need to be made, people will look to me. When the world needs answers, they will look to me. Where there is turmoil and confusion I will bring peace and unity.

Father, I pray now for women around the globe. Touch them with your Holy Ghost. Fill them with your love and power. Change them into women of faith, grace, and compassion. Help them to see themselves as queens so they, too, can exemplify Christ in the earth. Let your churches be filled with women operating in their Kingdom authority. Teach women how to pray effectively, with power, and let them pray continually. Let women, once again, become the prayer warriors that You created them to be and bring stability in our families.

## **WOMEN'S DECREES:**

I am a woman of God— a Queen, holy, and virtuous. I am confident, and fearfully and wonderfully made. I have been forged in the fires of the Holy Ghost and am able to defeat any adversary. I am wise. I am cunning. I have a meek and quiet spirit. I seek to do good. My family loves me. I am the cornerstone of my family. I operate in great faith and am a resource for my church. My name is influential. My reputation is impeccable. I am faithful and trustworthy, accountable and responsible. Everything I do prospers because I live my life according to Kingdom principles. I am a woman of prayer, faith, passion, and power. Because I have a voice in the heavens with God, I have power and influence in the earth with men. I am God's woman-- called, chosen, anointed, and appointed for such a time as this. AMEN.
